PROCLAMATION NO. 675

**DECLARING THE MONTH OF SEPTEMBER 2004 AND EVERY YEAR THEREAFTER AS
“NATIONAL PEACE CONSCIOUSNESS MONTH”**

WHEREAS, Executive Order No. 3, s. 2001, mandates the continuing pursuit of a comprehensive peace process along six major peace-making and peace-building components, otherwise known as the Six Paths to Peace, to wit:

- Pursuit of social, economic and political reforms to address the root causes of armed conflicts and social unrest;
- Consensus-building and empowerment for peace through consultations and people participation;
- Peaceful, negotiated settlement with different rebel groups and the effective implementation of peace agreements;
- Programs for reconciliation, reintegration into mainstream society and rehabilitation of former rebels and their communities;
- Addressing concerns arising from continuing armed conflicts, such as the protection of non-combatants and the reduction of the impact of armed conflicts on communities; and
- Building and nurturing a climate conducive to peace through peace education and advocacy programs and confidence-building measures.

WHEREAS, there is a need to instill greater consciousness and understanding among the Filipino people on the comprehensive peace process to strengthen and sustain institutional and popular support for and participation in this effort, as well as in the global movement spearheaded by the United Nations to promote a Culture of Peace based on nonviolence, respect for fundamental rights and freedoms, tolerance, understanding and solidarity;

WHEREAS, Proclamation No. 161 dated February 28, 2002 specifically addresses the above concern by way of an annual observance of a National Peace Consciousness Week from February 28 to March 6;

WHEREAS, there is a need to reset the period of observance of the National Peace Consciousness Week to September of every year to allow more active participation from the citizenry and institutions, including educational institutions, as well as to expand the week-long celebration to a period of one month;

WHEREAS, the month of September holds several significant milestones in the history of pursuing the peace process in the country, some of which are as follows:

- Creation of the National Unification Commission, through Executive Order No. 19 issued on September 1, 1992, which undertook nationwide consultations in 1992–1993 to lay the foundations of the Philippine Government’s agenda for a just, comprehensive and lasting peace;

- Issuance of Executive Order No. 125 in September 15, 1993 by then Pres. Fidel V. Ramos which provided for the administrative and policy structure to pursue the NUC-proposed comprehensive peace process agenda, including the creation of the Office of the Presidential Adviser on the Peace Process;
- Signing of a Final Peace Agreement by the Philippine Government and the Moro National Liberation Front on September 2, 1996; and
- Signing of a Peace Pact, or “Sipat” by the Philippine Government and the Cordillera People’s Liberation Army on September 13, 1986.

WHEREAS, the month of September has international significance relative to the global advocacy for peace because of activities such as:

- Annual observance of the United Nations’ International Day of Peace on September 21;
- Launching of the 2001–2010 International Decade for a Culture of Peace and Non-Violence for the Children of the World on September 19, 2000; and
- Commemoration of the September 11, 2001 terrorist bombings in the United States of America which roused not only the world, but the Philippines as well, to take firm action against the horrors of international and domestic terrorism.

NOW, THEREFORE, I, GLORIA MACAPAGAL-ARROYO, President of the Republic of the Philippines, by virtue of the powers vested in me by law, do hereby declare the month of September 2004 and every year thereafter as “National Peace Consciousness Month.”

All concerned Government agencies and instrumentalities, including local government units, government-owned and controlled corporations, as well as members of the private sector and civil society groups, are hereby enjoined and encouraged to initiate and participate in relevant and meaningful activities in celebration of the National Peace Consciousness Month to instill greater consciousness and understanding among the Filipino people of the comprehensive peace process and the Culture of Peace agenda.

The Office of the Presidential Adviser on the Peace Process (OPAPP) shall be the lead Government agency to coordinate and monitor the observance of the National Peace Consciousness Month.

This Proclamation supersedes Proclamation No. 161, series of 2002. All other executive issuances, orders, rules and regulations or parts thereof inconsistent with this Proclamation are hereby repealed or modified accordingly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

WHEREAS, the total development and empowerment of women is a State policy enshrined in the 1987 Philippine Constitution which specifically provides that. . .”The State recognizes the role of women in nation-building, and shall ensure the fundamental equality before the law of women and men” (Section 14, Article II);

WHEREAS, the Constitution further provides that . . .”The State shall protect working women by providing safe and healthful working conditions, taking into account their maternal functions, and such facilities and opportunities that will enhance their welfare and enable them to realize their full potential in the service of the nation” (Section 14, Article XIII);

WHEREAS, in order to translate these Constitutional provisions into action, Republic Act 7192, otherwise known as the “Women in Development and Nation Building Act”, was passed and enacted into law by Congress;

WHEREAS, a number of policies were issued by the national government enjoining women to participate actively and meaningfully at all levels of policy-making and governance such as Proclamation No. 224 issued on March 1, 1988, “Declaring the First Week of March of Every Year as Women’s Week and March 8, 1988 and every year thereafter as Women’s Rights and International Peace Day” in commemoration of the struggle of Filipino women for national freedom, civil liberty, equality and human rights;

WHEREAS, women with disabilities are also part of society and as such deserve equal rights in the field of law and in all aspects of human endeavor;

WHEREAS, in dealing justly with the rights of women with disabilities and in order for the Philippine government to comply with the regional mandate prescribed under the Biwako Millennium Framework (BMF) for Action Towards an Inclusive Barrier-Free and Rights-Based Society for Persons with Disabilities in Asia and the Pacific adopted on October 25–28, 2002 by the United Nations-Economic and Social Commission for the Asia and the Pacific (UN-ESCAP), this proclamation is being issued for the purpose.

NOW, THEREFORE, I, GLORIA MACAPAGAL-ARROYO, President of the Republic of the Philippines, by virtue of the powers vested in me by law, do hereby declare the last Monday of March of every year as “WOMEN WITH DISABILITIES DAY”.

The National Council for the Welfare of Disabled Persons (NCWDP), in partnership with the National Commission on the Role of Filipino Women (NCRFW), and other concerned organizations, is hereby directed to ensure the observance of the Women with Disabilities Day. Likewise, the NCWDP, with the assistance of the NCRFW will specifically highlight and integrate the needs and concerns of the women with disabilities in the Comprehensive Plan of Action for persons with disabilities.

All heads of departments, chiefs of bureaus, offices, agencies and instrumentalities of the national government are hereby instructed to implement plans, programs and activities geared towards the fulfillment of the human rights of the women with disabilities.

Local chief executives and other officials of local government units are hereby encouraged to implement plans, programs and activities geared towards the fulfillment of the human rights of the women with disabilities.

Specifically, all concerned agencies should ensure equal access of women with disabilities to health services, education, training and employment and protection from sexual and other forms of abuse. They are also directed to implement programmes to raise public awareness of the situation of women with disabilities and to promote positive attitudes, role models and opportunities for their development. The NCRFW shall integrate the concerns and needs of the women with disabilities in the national plan for women.

The funds necessary to carry out the provisions of this proclamation shall be sourced from the five percent (5%) of each agency's budget for gender and development (GAD) provided for in the yearly General Appropriations Act and from other funds to support the implementation of the national plan of action for women.

Non-government organizations and self-help groups among women with disabilities, as well as other organizations, are hereby enjoined to take full cognizance of this proclamation and to fully cooperate in the attainment of its goal and activities.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

PROCLAMATION NO. 822

DECLARING A PERIOD OF NATIONAL MOURNING OVER THE PASSING AWAY OF POPE JOHN PAUL II

WHEREAS, Pope John Paul II, from his young life as a priest to his role as Pope, evolved as the voice of goodness, social justice and man's freedom to love;

WHEREAS, he transcended physical, religious and racial barriers, reaching out in the true Christian tradition, to all peoples of the world as a Great Communicator of hope and freedom;

WHEREAS, his generosity, humility and profound love manifested itself in many ways as he made history as the first Pope to visit a Jewish synagogue, a Muslim mosque, and to ask forgiveness for the sins of the past in order to bridge generations and families separated by differences in religious and political beliefs;

WHEREAS, Pope John Paul II has a special place in the hearts of the Filipino people who will fondly remember him as the Pope who canonized the first Filipino saint, Lorenzo Ruiz, and for visiting the Philippines twice in February 1981 for a six-day pastoral visit, and in January 1995 for the World Youth Day as well as for ushering the Great Jubilee of the Year 2000;

WHEREAS, it was evident that the Philippines also had a special spot in the heart of the late Pope as Asia's oldest Christian democracy, for His Holiness personally selected Manila as the venue for the Fourth World Meeting of Families, the first to be held in Asia, in January 2003 and has been known to express his concern for the Filipino people during times of natural catastrophes and other upheavals;

WHEREAS, in his twenty-six years as Vicar of Christ, he made the fast-changing world gentler through his teachings, writings and way of life;

WHEREAS, His Holiness Pope John Paul II has consistently spoken about the poverty that divides nations and the suffering of humanity particularly women and children including migrants as a Shepherd who reminds his flock that: "The Church is a mother who, like Mary, treasures in her heart the story of her children, making all their problems her own."

WHEREAS, this Proclamation expresses the Filipino people's solidarity with the world as our generation mourns the passing of His Holiness Pope John Paul II with loving prayers for his eternal peace.
